Dear Ben Stanley,

Congratulations! You have been accepted to the [2023 APSA Annual Meeting](#) program for the following role:

Session Title: [Democratic Support: Misperceptions and Understanding of Democracy](#)

Session Type: [Full Paper Panel](#)

Session Role: [Author](#)

Paper Type: [Paper](#)

Paper Title: [Lip-Service Liberalism? Declared and Revealed Attitudes to Democracy in Poland](#)

[Division 44: Democracy and Autocracy](#)

APSA is pleased to announce that the [2023 Annual Meeting](#) will be in person in Los Angeles, California, from August 31 – September 3. After holding a safe and successful event in Montréal last year, we are excited to see one another again face-to-face. The in-person Annual Meeting is a great opportunity for scholars to gather for sessions and workshops, create valuable connections and research partnerships, see the latest in the Exhibit Hall, and tap into vital career services.

Before accepting, please confirm the following:

- (1) You agree to participate in your panel and its format type as indicated above in this email;
- (2) You agree to follow any COVID-related protocols mandated by local authorities at the time of the meeting. APSA strongly recommends that attendees be vaccinated for COVID-19 in advance of participation and wear masks while in meeting spaces. APSA reserves the right to enact stricter protocols should they be warranted by public health circumstances closer to the meeting; and
- (3) If you are attending from abroad, please review our information for [international attendees](#). Visa times may be delayed, so we recommend starting the process now.

Next step: [RSVP](#) by Wednesday, March 15. To RSVP:

- 1) Login to the [submission system](#), using your APSAnet.org login information.
- 2) On the RSVP menu, select the "Confirm or Decline Participation" link.
- 3) For each participation role, you will need to accept or decline. If you have been accepted to more than one role and/or session (paper presenter in a session, session chair, discussant, poster session presenter, etc.), you will see a list of items - **for each you need to either confirm or decline**.
- 4) Click "Accept and Continue."
- 5) Review your work and click "Save." Once your response has been successfully recorded, you will be taken to a confirmation email page, and you will also receive a confirmation email, indicating your response(s).

Participation in the Annual Meeting is limited to two (2) appearances, per the [participation rules](#), with some exemptions - including a third appearance on a theme panel. Please review the rules before accepting or declining your roles. APSA reserves the right to select or remove panels and participants and to change the date, time, and the format of a panel or presentation at its sole discretion. Review [panel presenter FAQs](#)

As a participant, you have three important obligations:

- 1) **RSVP by Wednesday, March 15**, using the instructions above.
- 2) Pre-register by **June 14**. Registration will open in April.
- 3) Ensure that all members of your panel or session receive your paper two (2) weeks prior to the conference, with

enough time to prepare for the meeting. We also encourage you to upload your paper to the conference system and APSA Preprints.

If you have availability, many divisions are still looking for chairs and discussants. We recommend [reaching out to divisions](#) in your area of expertise to see if they need support. There are no limits on participation in these roles.

We look forward to welcoming you in Los Angeles! For updated information on the 2023 APSA Annual Meeting, visit the [conference website](#).

All the best,
APSA Program Committee & Meetings Team
