

## Workshop

# Preparing the European Union for Future Enlargement: Challenges and Opportunities

**29 - 30 October 2024**

Rue Egmont 13, Brussels, Belgium

**Giselle Bosse** | Maastricht University

**Erik Jones** | European University Institute

**Mariam Khotenashvili** | TEPSA

## Introduction

This workshop will bring together potential consortium partners for a Horizon Europe bid to match the requirements set out in the draft call for HORIZON-CL2-2025-01-DEMOCRACY-04. The workshop aims to discuss the overall concept underpinning the consortium, begin thinking about the contents of individual work packages, and confirm potential consortium partners as we begin laying the foundations for what we hope will be a successful bid.
