Dear applicant to EPOP 2026

We are delighted to inform you that your paper proposal has been accepted for the **EPOP conference in Liverpool, 17-19 September 2026**. If you have submitted more than one paper proposal, all your submissions have been accepted.

Please register as soon as possible for EPOP in Liverpool [using this link](#).

If you currently are a BA, MA or PhD student, please click on the "Student Ticket".

Early bird rates will be available until July 13th. Registration will close on August 5th.

If you had initially applied for an ECR fee waiver or for a fee discount, we are sorry to inform you that your application has been declined. This may be because you have explicitly told us that you no longer needed an ECR fee waiver / fee discount, because you have not confirmed with us your EPOP membership, or because your supervisor / department has not confirmed with us that you needed an ECR fee waiver / fee discount.

If you have any question or are no longer able to attend EPOP, please let us know as soon as possible by contacting us at this email address:
epop2026@liverpool.ac.uk

We look forward to welcoming you to Liverpool in September
The EPOP Liverpool Organising Team
